

AGE ADVANTAGED.

Southern Adapted.

**McCloud
Exclusive 2008
20732432**

Sire: Musgrave 316 Exclusive
Dam: VF Lucy FI26

Top 15% CED, top 10% WW, top 10% CW and top 1% \$W
check all the boxes for this powerhouse to add quality pounds to any calf crop.

**McCloud
Veracious 6462B
20396042**

Sire: HPCA Veracious
Dam: Crazy K Blackcap

The Veracious sons have topped sales across the U.S. and 6462B can easily be added to this impressive list. His +1.44 marbling and +.98 REA, top 4% \$G and top 5% \$B make him an easy choice to add to a herd bull battery.

**G/ Bloodline 3218
20749522**

Sire: SAV Bloodline 9578
Dam: CCC Developer Diva

3218 is a phenotypic specimen with structurally sound feet and moderate stature.

Your source for age advantaged, two-year-old Angus bulls that are adapted to the tough southern heat of south Mississippi. We place emphasis on performance, longevity and carcass quality to ensure our bulls last, and make your next calf crop better. Give us a call today to learn more.
